

The Program

The Skills and Experience Transitioning Canada (SetCan) program is designed for internationally trained accounting and finance professionals to become equipped with the necessary skills and tools to enter the Canadian workforce. This program is funded by Employment and Social Development Canada and presented by the Centre for Education and Training.

SetCan includes a three-week mandatory in-class instruction; CPA Ontario Speed Networking event; **one to one** individual support; individual employment action plan development and three months of paid internship. *Not all participants are eligible for the paid internship opportunity as this is based on a Points Matrix System.*

Eligibility Criteria for SetCan

To qualify individuals must have the following:

- ✓ Post-secondary degree in the finance or accounting field
- ✓ Two or more years work experience in the accounting or finance sector
